

Please record any volunteer service and continuing education that you have completed, that has not yet been submitted through the online Master Naturalist Tracking System. You can mail it to our physical address or email a scanned copy to mjones30@unl.edu. The Tracking System can be found at the Members tab on our website at <http://NATURALIST.unl.edu>. Please estimate dates and numbers to the best of your ability. If you have several dates for the same activity, you may summarize it into one entry, and provide a date range. Fill in as much information as you are able. Be sure to circle one Tracking Type (Volunteer Service - Vol Svce or Continuing Education - Cont Ed) and one Service Type (Interpretation and Outreach - Interp, Resource Management - Rsce Mgmt, Citizen Science - Cit Sci, or Outdoor Skills - Out Skills). An example is shown below. Once you have completed the form, please sign below.
